

1. **Outdoor sports, for which a permit is not required.** This section applies to outdoor sports that do not involve reservation of a specific field/court for a specific time period. Such sports are limited to twenty-five (25) persons or fewer playing together.
2. **Public and private commercial pools.** Indoor and outdoor public and private commercial pools may open, provided:
  - a. Locker rooms, changing rooms, restrooms, and showers may be open at the discretion of the operator, but must be monitored by the operator to ensure that the number of individuals inside at one time allows for proper physical distancing.
  - b. Face coverings must be worn consistent with Order 5 of the Order, except while in the water or showering.
3. **Shooting and archery ranges.** Allowed, subject to the general conditions on page 1 of Exhibit B to the Order
4. **Public and private golf courses.** Operators must comply with Order 1C. and Phase 4 of PGA/Aloha Section's "Modified Procedures for Back2Golf Hawaii | The Game and Business of Golf" available at <https://www.aspga.com/wp-content/uploads/sites/41/2021/06/210621-FINAL-Hawaii-Golf-Operations-Guidelines-HGP-4.pdf>. Additionally, any retail areas must comply with retail and service businesses requirements; any area offering food/beverages for on premises consumption must comply with requirements for Restaurants/Bars; and office spaces must comply with business office requirements. Effective October 13, 2021 through the Emergency Period, golf tournaments with over twenty-five (25) competitors will be allowed provided each competitor provides proof of full (COVID-19) vaccination prior to the tournament. No post-event gatherings are allowed, unless held in compliance with another category of Designated Businesses/Operations in the Order.
5. **Real estate services.** Allowed, subject to the general conditions on page 1 of Exhibit B to the Order
6. **New and used car and truck dealerships.** Allowed, subject to the general conditions on page 1 of Exhibit B to the Order
7. **Automated service providers.** Allowed, subject to the general conditions on page 1 of Exhibit B to the Order
8. **Mobile service providers.** Allowed, subject to the general conditions on page 1 of Exhibit B to the Order
9. **Retail and service businesses.** Allowed, subject to the general conditions on page 1 of Exhibit B to the Order

10. **Shopping malls.** Within shopping malls the food-court dining areas must comply with the applicable restrictions in the “Restaurants/Bars” section contained in Exhibit B to the Order, or keep the area closed. Outdoor play, entertainment, and common areas may open. Indoor arcades, game rooms, and other similar indoor areas must comply with applicable restrictions in the “Arcades” or “Other commercial attractions” section contained in Exhibit B to the Order.
11. **Restaurants/Bars.** This section applies to Restaurants and Bars only. Restaurants and Bars may choose to operate under the conditions outlined below. For purposes of this section, a “**Restaurant**” or “**Bar**” means a business or operation that sells and serves food or beverages (or both) for on premises consumption. Restaurants and Bars in the City may only provide *seated table service* to customers under the following requirements, conditions, and privileges:
  - a. Operations.
    - i. Face coverings (as defined in Order 5).
      - Employees - All employees must wear face coverings during their shifts.
      - Customers - Customers must wear face coverings consistent with Order 5 of the Order at all times within the facility, except when eating or drinking.
    - ii. Performers/Activities subject Order 8.
      - Performers and customers engaged in singing, playing wind instruments, and similar activities are encouraged to follow the guidance set forth in Order 8 of the Order.
      - All other performers employed or contracted by a Bar/Restaurant shall maintain physical distance of at least six (6) feet from customers and wear face coverings at all times during their shifts.
    - iii. Capacity and Group Size. Each facility and room (as applicable) is limited to no more than fifty percent (50%) of its maximum occupant load. The size of each group is limited consistent with the limitations on indoor and outdoor gatherings under Order 3.
    - iv. Seating. Only sit-down table service is allowed. No standing bar/dining areas are allowed. Seating shall be arranged so that six (6) feet of separation is maintained between groups. Groups within the Restaurant/Bar are prohibited from intermingling.
    - v. Contact tracing information. Restaurant and Bar operators may only permit patrons to dine indoors if Sign-in Data is collected.
      - Operators of Bars/Restaurants that provide table service are strongly encouraged to implement a reservation system for customers to facilitate collection of the Sign-in Data.
      - This requirement does not apply to Restaurants/Bars that do not provide table service (e.g., fast food).
    - vi. Condiments shall be by request in single-use disposable packets, or reusable condiment containers that are sanitized between parties.

- vii. Tables and chairs must be fully sanitized after each group (or individual customer) leaves the Bar/Restaurant.
  - viii. When non-disposable dishware and utensils are used, they must be sanitized after each use consistent with Hawaii Department of Health guidance and regulations, and “best practices” of the U.S. Food & Drug Administration (“FDA”) (available here: <https://www.fda.gov/food/food-safety-during-emergencies/best-practices-re-opening-retail-food-establishments-during-covid-19-pandemic>), as updated or superseded.
  - ix. Provide disposable menus or menu boards, or sanitize reusable menus after each use.
  - x. Hourly touch-point sanitization (workstations, equipment, screens, door knobs, restrooms, etc.) required.
  - xi. No self-service buffets or drink stations.
  - xii. Additional restrictions for Restaurants and Bars holding a liquor license. For Restaurants/Bars operating under this section that hold a liquor license issued by the Liquor Commission of the City and County of Honolulu, State of Hawaii for on premises consumption, or that allow on premises liquor consumption on a BYOB basis, the following restrictions and penalties also apply:
    - Hours for on premises consumption. Operators shall cease the sale, service, and prohibit consumption of liquor at or before 12 a.m. each day; and shall not have liquor, whether in bottle, glass, or other container, open and readily consumable after 12 a.m. each day. For liquor licensees, the start time for the sale, service, and consumption of liquor shall remain the same, based upon the class of license.
  - xiii. All employees must be trained to know and enforce the requirements of this Restaurants/Bars section.
- b. Hygiene.
- i. Employer must provide hand washing capability or sanitizer for employees and customers.
  - ii. An adequate supply of soap, disinfectant, hand sanitizer, and paper towels must be available at all times.
  - iii. Frequent hand washing/sanitizing by employees is required.
- c. Staffing.
- i. Provide training for employees regarding these requirements and each facility’s respective COVID-19 mitigation plan.
  - ii. Conduct pre-shift screening, maintain staff screening log.
  - iii. No employee displaying symptoms of COVID-19 should provide services to customers. Symptomatic or ill employees should not report to work.
  - iv. No person should work within 72 hours of exhibiting a fever or other COVID-19 symptoms, and follow the CDC’s “What To Do If You Are Sick” guidance, available at <https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/steps-when-sick.html>.

- v. Employer must establish a plan for employees getting ill and a return-to-work plan following CDC guidance, which can be found online at: <https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html>.
- d. Cleaning and Disinfecting.
  - i. Cleaning and disinfecting must be conducted in compliance with CDC guidance.
  - ii. When an active employee is identified as being COVID-19 positive by testing, cleaning and disinfecting must be performed as soon after the confirmation of a positive test as practical consistent with CDC guidance.
  - iii. CDC guidance can be found online at: <https://www.cdc.gov/coronavirus/2019-ncov/community/disinfecting-building-facility.html>.
- e. Encouraged practices. Restaurants/Bars are encouraged to do the following:
  - i. Have customers enter and exit through different entries using one-way traffic, where possible.
  - ii. Start or continue entryway, curbside, and home delivery.
  - iii. Encourage making reservations, preordering for dine-in service, and ordering for contactless pickup and delivery either by telephone or other remote means.
  - iv. Implement cashless and receiptless transactions.
- f. Pilot sidewalk/outdoor dining privilege. From the effective date of this section, through the termination of Mayor's COVID-19-related Emergency Proclamation (as supplemented or extended), Restaurants and Bars abutting City property may use City Property for their operations under the following conditions:
  - i. The facility must be on the ground floor and abut paved City property
  - ii. Upon 24-hour's notice, the facility must vacate City property for regular maintenance by City (e.g. steam cleaning).
  - iii. The facility is responsible for own equipment, furniture, and supplies, which must be stored elsewhere during closed hours.
  - iv. The utilized City property may only be used by the facility during its business normal hours, but shall not be used between the hours of 11:00 p.m. and 7:00 a.m.
  - v. The facility is responsible for compliance with any additional requirements relating to its Hawaii Department of Health Food Establishment Permit.
  - vi. Liquor sales, if any, on the utilized City property must be authorized under the facility's liquor license and applicable law.
  - vii. No additional signage is permitted within the utilized City property.
  - viii. Services must be consistent with the requirements of this section, including Social Distancing Requirements and physical spacing of tables and customers.

- ix. Furniture must be located at least six (6) feet from any vehicular ramp, driveway or street intersection.
  - x. No live or amplified music is allowed on the utilized City property.
  - xi. Furniture shall not be placed over planter strips and tree wells
  - xii. Furniture shall be outside an eight (8)-foot radius around bus stops and a five (5)-foot radius around fire hydrants.
  - xiii. All fire lanes shall be open and accessible at all times.
  - xiv. The facility is responsible for rubbish collection.
  - xv. Facilities must cease operations completely when Mayor's COVID-19-related Emergency Proclamation (as supplemented) is no longer in effect.
  - xvi. Violations of these requirements will result in forfeiture of this privilege.
  - xvii. Sidewalk/outdoor dining and beverage services under this section may include parklets (i.e., use of abutting parking/street spaces converted to dining space), subject to pedestrian clearance, traffic, and safety issues as determined by the City through the department(s) having authority over those issues.
  - xviii. Where sidewalks are present on all or part of the utilized City property, the facility must ensure a clear right of way of at least 36 inches at all times, (although 48 inches is recommended).
  - xix. For facilities abutting "pedestrian malls", as more specifically defined in Section 29-1.1, et seq. of the Revised Ordinances of the City and County of Honolulu 1990 (as amended), the following additional requirements apply:
    - A clear 20-foot wide right of way to accommodate delivery and emergency vehicles must be maintained at all times
    - Operation cannot exceed mall hours
    - No liquor service is allowed
    - All rubbish must be removed nightly
    - If the ground of the City property utilized consists of pavers, the facility must take precautions to prevent and address food, liquid, and grease spills
  - xx. For facilities abutting a City park or playground, use of the City Property is limited to seven (7) feet from property line, and no more than one row of tables.
  - xxi. Activities permitted under this section may begin upon acceptance by the City of a completed liability form and proof of insurance.
- g. Enforcement. Any Restaurant/Bar in violation of any provision under this "Restaurants and Bars" section shall be subject to (1) immediate closure for 24 hours by the Honolulu Police Department to provide an opportunity to cure the violation and provide staff training to protect the public health; and (2) the penalties generally authorized by this Order. Any Restaurant/Bar holding a liquor license issued by the Honolulu Liquor Commission in violation of any provision of this "Restaurants and Bars" section shall also be subject to (1) immediate closure for 24 hours by the Honolulu Police Department and/or the Honolulu Liquor Commission to provide an opportunity to cure the violation and provide

staff training to protect the public health; and (2) the penalties enforceable pursuant to the Rules of the Liquor Commission of the City and County of Honolulu, State of Hawaii, and the Liquor Laws of Hawaii under Hawaii Revised Statutes Chapter 281, which may include a reprimand, fine, suspension, and/or revocation of the liquor license.

12. **Zoos, sea life attractions, aquariums, museums, botanical gardens.** Zoos, sea life attractions, aquariums, museums, botanical gardens may operate but must comply with conditions on page 1 of Exhibit B which apply to all Designated Businesses and Operations. Also, such attractions with: retail areas must comply with retail and service businesses requirements; any area offering food/beverages for on premises consumption must comply with the requirements for Restaurants/Bars; and office spaces must comply with business office requirements.
13. **Other commercial attractions.** Indoor and outdoor commercial attractions other than zoos, sea life attractions, aquariums, museums, and botanical gardens (e.g., water parks, cultural attractions, go karts, mini golf, etc.), may operate but must comply with conditions on page 1 of Exhibit B which apply to all Designated Businesses and Operations. Also, such attractions with: retail areas must comply with retail and service businesses requirements any area offering food/beverages for on premises consumption must comply with the requirements for Restaurants/Bars; and office spaces must comply with business office requirements.
14. **Bowling alleys.** Bowling alleys may operate but must comply with conditions on page 1 of Exhibit B which apply to all Designated Businesses and Operations. Food and beverages may be served and consumed in the bowling area. If food and drinks are served and/or allowed, COVID-19 mitigation measures (consistent with applicable sections of the Restaurants/Bars section of this Order) must be implemented and every person must wear a face covering at all times consistent with Order 5, except when actively eating or drinking in designated areas (e.g., a patron's/group's assigned lane/seating area). Bowling alleys with: retail areas must comply with retail and service businesses requirements; any area offering food/beverages for on premises consumption must comply with the requirements for Restaurants/Bars; and office spaces must comply with business office requirements.
15. **Transportation (non-essential).** Non-essential transportation service providers (e.g., tourism related) may operate provided proper physical distancing of at least six (6) feet between households/living units and groups is maintained, and operators comply with the conditions on page 1 of Exhibit B that apply to all Designated Businesses and Operations, including collecting Sign-in Data.
16. **Tours.** Tour operators may operate but must comply with conditions on page 1 of Exhibit B which apply to all Designated Businesses and Operations, including collecting Sign-in Data. Operators must implement protocols to ensure that households/living units and groups maintain proper physical distancing of at least six (6) feet from each other, consistent with the Order.

17. **Helicopter tours, plane tours, & skydiving.** Helicopter tours, plane tours, and skydiving operators may operate but must comply with conditions on page 1 of Exhibit B which apply to all Designated Businesses and Operations, including collecting Sign-in Data. Operators must implement protocols to ensure that households/living units and groups maintain proper physical distancing of at least six (6) feet from each other, consistent with the Order.
18. **Personal recreational boating.** No more than twenty-five (25) persons are allowed in any personal boat on Hawai‘i’s waters for recreational purposes (subject to lower capacity established by other applicable law/regulation). Boats shall maintain at least six (6) feet of physical distance from each other, shall not tie up to one another in Hawai‘i’s waters, and boat owners/operators shall not allow intermingling of passengers from different boats.
19. **Commercial recreational boating.** Subject any capacity restrictions established by other applicable law/regulation, commercial recreational boating operations may operate without percentage capacity restrictions, but shall implement protocols to ensure that: households/living units and groups, maintain proper physical distancing of at least six (6) feet from each other; service and consumption of food or drinks within the vessel cabin (if any) is consistent with the “Restaurants/Bars” section of the Order; and collect Sign-in Data.
20. **Hair salons, barber shops, and nail salons.** Hair salons, barber shops, and nail salons (“Providers”) may provide their core services of hair cutting, coloring, and styling in the case of hair salons and barbers; and fingernail/toenail services in the case of nail salons; indoors under the following conditions:
  - a. General.
    - i. Comply with all applicable State of Hawai‘i and City statutory and regulatory, COVID-19 emergency order/proclamation related requirements and standards for the service provided by the Provider. (E.g., barbers must comply with Haw. Rev. Stat. ch. 438 and Haw. Admin. R. § 16-73-1 et seq.; beauty operators must comply with Haw. Rev. Stat. ch. 439 and Haw. Admin. R. § 16-78-1 et seq.; Providers are encouraged to visit <https://cca.hawaii.gov/pvl/hrs/> to determine if they are regulated under Hawaii law.
  - b. Specific Requirements.
    - i. Arrange seating in the establishment so that customers are separated from other customers by six (6) feet between booths/stations and/or have physical barriers between them.
    - ii. Ensure applicable Social Distancing Requirements are met.
    - iii. Services which require face coverings to be removed for extended periods may not be performed.

- iv. Implement additional mitigation measures when strict physical distancing of at least six (6) feet is not feasible for a specific task. Such measures include, but are not limited to, the use of physical barriers (e.g., plexi-glass), additional PPE (e.g., plastic face shields/masks), and minimization of such personal services, enhanced cleaning, and increased ventilation of the area with outside air.
- v. Ensure that all equipment that comes into direct contact with customers/clients and all furniture in service areas (such as chairs, capes, and the shampooing area in a barber shop or salon) is completely cleaned and disinfected between each customer/client in accordance with CDC guidelines and applicable law.
- vi. Implement the following screening measures to screen service providers and customers/clients for signs and symptoms of COVID-19 before arriving at the service provider location. If a service provider or client/customer answers “yes” to questions 1-3, they should not provide or receive services at the Provider’s facility. Providers may provide services to those clients/customers who answer “yes” to questions 4 and 5.
  - 1) Do you now, or have you had in the past ten (10) days:
    - A cough or sore throat?
    - Fever or do you feel feverish?
    - Shortness of breath?
    - Loss of taste or smell?
  - 2) Are you currently subject to any COVID-19 related quarantine?
  - 3) Have you had close personal/physical contact with or cared for someone diagnosed with or tested positive for COVID-19?

\* \* \* \* \*

  - 4) If you answered “yes” to Question 3, are you a health care worker?
  - 5) If you answered “yes” to Question 4, are you cleared to work at your healthcare facility?
- c. Prior to reopening, all Providers are encouraged to develop, post and implement written protocols consistent with this section and other applicable law, industry standards, and guidance. The plan should include policies regarding the following control measures: PPE utilization; on-location physical distancing; hygiene; sanitation; self-screening and symptom monitoring; incident reporting; and location disinfection procedures.
- d. Handwashing stations and/or disinfectants must be available to personal service providers and customers/clients throughout the workplace and frequently replenished.
- e. No waiting areas are allowed.
- f. No food or beverage service or consumption shall be allowed in the area where services are being provided.

- g. When making personal service appointments, Providers should advise customers/clients of new requirements, which may include, but are not limited to:
    - i. Customers/clients must self-screen for signs and symptoms of COVID-19 before arriving at the service provider location.
    - ii. Customers/clients should not plan on bringing other guests with them, unless they are bringing children younger than 16 for an appointment.
    - iii. Customers/clients should advise Providers via call, email or text that they have arrived at the location for the appointment, and are waiting for instructions to enter.
    - iv. Customers/clients should put on a face covering prior to leaving the vehicle, and they should be prepared to wash their hands for at least 20 seconds or use sanitizer prior to starting their service.
    - v. Payments for service should be through credit or debit cards or a touchless system to reduce the handling of cash.
  - h. For walk-in appointments, the Provider should post a notice on the front door or window regarding access to the facility. The notice should include the phone number that the guest should call to determine availability of services. If service is available at the time, the walk-up guest will need to answer questions regarding COVID-19 exposure and current health, and put on a face covering before entering the location.
  - i. Providers are encouraged to follow additional best practices:
    - i. Reducing the number of customers/clients serviced at one time. E.g., using only 50% of the available work stations.
    - ii. Operators must implement measures to ensure that participants and groups waiting to use a facility or an activity open under this section maintain physical distance of six (6) feet from one another at all times.
    - iii. Cashless and receiptless transactions.
    - iv. Customers/clients entering and exiting through different entries using one-way traffic, where possible.
    - v. Reserved hours for operation limited to high-risk populations.
    - vi. A manager or shop owner should be on site during business hours at all times.
    - vii. Advising customers to limit the number of items they bring into the premises.
21. **Personal care services.** Personal care services are services other than the core services provided by hair salons/barbers (hair cutting, coloring, styling), or nail salons (fingernail/toenail services), which require touching a client's face or body. Personal care services may operate under the following conditions:

- a. Outdoors. Personal care services may be performed outdoors and as long as all they follow all of the conditions imposed on hair salons, barber shops, and nail salons, including but not limited to, following all City and State statutory and regulatory requirements. If the personal care service cannot be performed outdoors under other applicable laws/regulations, they must be conducted indoors under applicable conditions (see below).
- b. Indoors. Personal care services may be performed indoors under the following conditions:
  - i. General.
    - 1) Comply with all applicable State of Hawai‘i and City statutory and regulatory, COVID-19 emergency order/proclamation related requirements and standards for the service provided by the Provider. (E.g., barbers must comply with Haw. Rev. Stat. ch. 438 and Haw. Admin. R. § 16-73-1 et seq.; beauty operators must comply with Haw. Rev. Stat. ch. 439 and Haw. Admin. R. § 16-78-1 et seq.; Providers are encouraged to visit <https://cca.hawaii.gov/pvl/hrs/> to determine if they are regulated under Hawaii law.
  - ii. Specific Requirements.
    - 1) Collect Sign-in Data.
    - 2) Arrange seating in the establishment so that customers are separated from other customers by six (6) feet between booths/stations and/or have physical barriers between them.
    - 3) Ensure applicable Social Distancing Requirements are met.
    - 4) Services which require face coverings to be removed for extended periods may not be performed.
    - 5) Implement additional mitigation measures when strict physical distancing of at least six (6) feet is not feasible for a specific task. Such measures include, but are not limited to, the use of physical barriers (e.g., plexi-glass), additional PPE, and minimization of such personal services, enhanced cleaning, and increased ventilation of the area with outside air.
    - 6) Ensure that all equipment that comes into direct contact with customers/clients and all furniture in service areas (such as chairs, capes, and the shampooing area in a barber shop or salon) is completely cleaned and disinfected between each customer/client in accordance with CDC guidelines and applicable law.
    - 7) Implement the following screening measures to screen service providers and customers/clients for signs and symptoms of COVID-19 before arriving at the service provider location. If a service provider or client/customer answers “yes” to questions 1-3, they should not provide or receive services at the Provider’s facility. Providers may provide services to those clients/customers who answer “yes” to questions 4 and 5.
      1. Do you now, or have you had in the past ten (10) days:

- A cough or sore throat?
  - Fever or do you feel feverish?
  - Shortness of breath?
  - Loss of taste or smell?
2. Are you currently subject to any COVID-19 related quarantine?
  3. Have you had close personal/physical contact with or cared for someone diagnosed with or tested positive for COVID-19?
- \* \* \* \* \*
4. If you answered “yes” to Question 3, are you a health care worker?
  5. If you answered “yes” to Question 4, are you cleared to work at your healthcare facility?
- iii. Prior to reopening, all Providers are encouraged to develop, post and implement written protocols consistent with this section and other applicable law, industry standards, and guidance. The plan should include policies regarding the following control measures: PPE utilization; on-location physical distancing; hygiene; sanitation; self-screening and symptom monitoring; incident reporting; and location disinfection procedures.
  - iv. Handwashing stations and/or disinfectants must be available to personal service providers and customers/clients throughout the workplace and frequently replenished.
  - v. No waiting areas are allowed.
  - vi. No food or beverage service or consumption shall be allowed in the area where services are being provided.
  - vii. Appointments required. Appointments made by remote means are required for all personal services. When making appointments, providers should advise customers/clients of any new requirements, which may include, but are not limited to:
    - 1) Customers/clients must self-screen for signs and symptoms of COVID-19 before arriving at the service provider location.
    - 2) Customers/clients should not plan on bringing other guests with them, unless they are bringing children younger than 16 for an appointment.
    - 3) Customers/clients should advise Providers via call, email or text that they have arrived at the location for the appointment, and are waiting for instructions to enter.
    - 4) Customers/clients should put on a face covering prior to leaving the vehicle, and they should be prepared to wash their hands for at least 20 seconds or use sanitizer prior to starting their service.
    - 5) Payments for service should be through credit or debit cards or a touchless system to reduce the handling of cash.

- viii. Generally, no walk-in appointments are allowed. Provider should post a notice on the front door or window regarding access to the facility. The notice should include the phone number that the guest should call to make an appointment. If service is available at the time, the walk-up guest will need to provide the Sign-in Data, answer questions regarding COVID-19 exposure and current health, and put on a face covering before entering the location.
  - ix. Providers are encouraged to follow additional best practices:
    - 1) Reducing the number of customers/clients serviced at one time. E.g., using only 50% of the available work stations.
    - 2) Operators must implement measures to ensure that participants and groups waiting to use a facility or an activity open under this section maintain physical distance of six (6) feet from one another at all times.
    - 3) Cashless and receiptless transactions.
    - 4) Customers/clients entering and exiting through different entries using one-way traffic, where possible.
    - 5) Reserved hours for operation limited to high-risk populations.
    - 6) A manager or shop owner should be on site during business hours at all times.
    - 7) Advising customers to limit the number of items they bring into the premises.
22. **Pet services.** Allowed, subject to the general conditions on page 1 of Exhibit B to the Order
23. **Business offices.** This section applies to business offices, whether for-profit, non-profit, regardless of the nature of the business or service, the function it performs, or its corporate or entity structure, that were not authorized under the Second Amended Stay at Home Order to utilize their offices. Business offices may reopen under the following requirements and conditions:
- a. The business shall ensure and promote compliance with applicable Social Distancing Requirements.
  - b. All occupied desks, cubicles and open workspaces, and furniture used for sitting or standing must be spaced at least six (6) feet apart to the extent reasonably practical and/or physical barriers should separate work spaces.
  - c. The business shall ensure cleaning and disinfecting of its facility in compliance with CDC guidelines – <https://www.cdc.gov/coronavirus/2019-ncov/community/clean-disinfect/index.html>.
  - d. The business shall develop, post, and implement policies based on guidance from the CDC, Department of Labor, Occupational Safety and Health Administration

(“OSHA”) and the Hawai‘i Department of Health (“HDOH”) to limit and mitigate the spread of COVID-19, including, but not limited to, the following:

- i. Promoting healthy hygiene practices.
- ii. Improving and intensifying cleaning and disinfection practices.
- iii. Improving ventilation and circulation of outside air to the extent practicable.
- iv. Monitoring for sickness.
- v. Ensuring physical distancing at locations and times where employees, clients, or guests may congregate.
- vi. Providing necessary personal protective equipment.
- vii. Allowing for and encouraging employees to work remotely to the extent practicable.
- viii. Providing employees at higher risk for severe illness from COVID-19 (based on CDC guidance) with special accommodations, at the employee’s request, to avoid contact with, and mitigate the risk of, the employee’s exposure to co-workers and others in connection with the business, to the maximum extent possible.
- ix. Providing plans to return to work in phases to the extent practicable.
- x. If someone at work tests positive for COVID-19 –  
<https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html>.

24. **Movie theaters.** Movie theaters must comply with conditions on page 1 of Exhibit B which apply to all Designated Businesses and Operations. If food and drinks are served and/or allowed, COVID-19 mitigation measures (consistent with applicable sections of the Restaurants/Bars section of this Order) must be implemented; and every person in the theater must wear a face covering at all times consistent with Order 5, except when actively eating or drinking in designated areas (e.g., a patron’s assigned seat).
25. **Group physical activity classes.** Commercial outdoor group physical activity classes are limited to twenty-five (25) persons or less including any instructor; face coverings are not strictly required, but recommended. Commercial indoor group physical activity classes are limited to ten (10) persons or less including any instructor. While in the facility for the indoor group class each person must wear a face covering and maintain at least six (6) feet of physical distance from the others at all times.
26. **Commercial gym and fitness facility operations and activities.** Commercial gyms and fitness facilities (“Fitness Facilities”) may conduct fitness operations and activities exclusively outdoors; face coverings are not strictly required, but recommended. Commercial fitness operations and activities may also conduct fitness operations and activities indoors under the following conditions:
  - a. Specific Requirements. Fitness Facility operators must:
    - i. Not conduct or allow group classes of more than ten (10) persons to be performed within the Fitness Facility.

- ii. Limit occupancy to no more than fifty percent (50%) of the maximum occupant load of the Fitness Facility and any rooms or areas within the facility (as applicable). Pools may be open consistent with the “Public and private commercial pools” section of the Order.
- iii. Promote physical distancing between occupants. Equipment should be arranged to facilitate six (6) feet of physical distancing between users.
- iv. Limit locker room access and the number of persons who use amenities of the facilities (e.g., sauna, etc.) at any one time to ensure physical distancing of six (6) feet can be maintained.
- v. Keep water fountains closed, except for those designed to refill water bottles in a contact-free manner.
- vi. Post signs to encourage physical distancing and disinfecting throughout the facility.
- vii. Position staff to monitor physical distancing and disinfecting requirements.
- viii. Provide handwashing stations or hand sanitizer (at least 60% alcohol content) throughout the facility for use by employees/clients/guest.
- ix. Ensure applicable Social Distancing Requirements are adhered to at all times.
- x. Any occupied desks, cubicles and open workspaces, and furniture used for sitting or standing must be spaced at least six (6) feet apart.
- xi. Ensure frequent cleaning and disinfecting of equipment, restrooms, locker rooms, and other high touch/high usage areas of the facility in accordance with CDC guidelines.
- xii. The business shall develop, post, and implement policies based on guidance from the CDC, Department of Labor, OSHA, and the DOH to limit and mitigate the spread of COVID-19.

b. Encouraged Practices. Fitness Facility operators should:

- i. Consider appointment-based usage of the Fitness Facility to limit the number of persons in the facility.
- ii. Consider utilizing touchless forms of client/guest check-in.
- iii. Consider offering virtual fitness classes whenever possible, especially for higher risk populations.
- iv. Strongly encourage clients/guests to bring their own filled water bottles with them to the facility.

27. **Arcades.** Arcade operators may operate without percentage capacity restrictions, but shall implement protocols to ensure that households/living units and groups maintain proper physical distancing of at least six (6) feet from each other. Arcade operators must also implement measures to ensure sanitation of games between each person’s use and that hand sanitizer is available throughout the facility. Face coverings are required at all times within the arcade/game area(s). Arcades with: retail areas must comply with retail and service businesses requirements; any area offering food/beverages for on premises consumption must comply with requirements for Restaurants/Bars; and office spaces must comply with business office requirements. Such areas must be distinct from the

arcade/game area(s), and operators must regulate each area's respective capacity limits, or limit occupancy throughout the facility to the most restrictive occupancy limit imposed for any of the areas within the facility.

28. **Legal short-term rentals.** This section applies to lodgings, other than hotels or motels allowed to operate as Essential Businesses under the Order, that provide guest accommodations for less than thirty (30) days within the City and are legally authorized under Chapter 21 of the Revised Ordinances of Honolulu (collectively “**Legal STRs**”). Legal STRs may operate under the following conditions:

a. Specific Requirements. Legal STR operators shall:

- i. First register the following information and acknowledgment with the City's Department of Planning and Permitting:
  - 1) Tax Map Key Number for the property;
  - 2) Legal name and contact information (current address and phone number) of the registered owner of the property;
  - 3) Legal name and contact information (current address and phone number) of the authorized local manager of the property, if such manager exists. The listing of such manager is required if the registered owner of the property resides outside of the City; and
  - 4) An acknowledgement that the operator and the manager (if one exists) is obligated and will comply with the requirements of this Order (as amended, supplemented, and/or extended), including but not limited to the requirement to gather and maintain all adult guests' contact information (as set forth below) for contact tracing purposes.

The above registration and acknowledgment requirements shall be completed and filed online prior to offering a Legal STR for rent. Filing may be completed online at: <https://web1.hnl.info/strcompliance/>.

- ii. Gather and maintain all adult guests' contact information (including name, phone number, and address of permanent residence) and assist local public health contact tracing efforts, if exposures occur. The guests' contact information shall be retained for at least 28 days, and shall be shared with the State's Department of Health, or its designee, upon request.
- iii. Ensure at least six (6) feet of physical distance is maintained and face coverings are worn during any interactions with guests, staff, local community (e.g., check in/out).
- iv. Minimize interactions with guests, staff, and local community by implementing no-contact procedures (e.g., check-in procedures).
- v. Avoid scheduling back-to-back stays to ensure time for proper cleaning and disinfecting (scheduling at least 24 hours between guests is recommended).
- vi. Provide generous and flexible cancellation policies so that if guests start experiencing symptoms, they can cancel.
- vii. Ensure guests are not present at the time of any maintenance or cleaning.

- viii. Routinely check City, State, and CDC data and guidance concerning the COVID-19 pandemic.
    - ix. Clearly communicate with guests regarding cleaning and disinfecting steps.
    - x. Notify guests that City law generally requires face coverings to be worn when in public indoor spaces.
  - b. Specific Prohibitions. Legal STR operators shall not:
    - i. Provide accommodations to anyone who is subject to quarantine related to the COVID-19 pandemic, including quarantine imposed by the State's COVID-19 related proclamations, as may be amended, supplemented, and/or extended. Operators are responsible for determining whether a prospective guest is subject to such quarantine.
  - c. Staffing.
    - i. No STR operator or STR employee displaying symptoms of COVID-19 should provide direct in-person services to guest.
    - ii. No STR operator or STR employee should work within 72 hours of exhibiting a fever or other COVID-19 symptoms and follow appropriate State DOH and CDC guidance.
  - d. Cleaning and Disinfecting.
    - i. Cleaning and disinfecting must be conducted in compliance with CDC guidance.
    - ii. When an employee or guest is identified as being COVID-19 positive by testing, cleaning and disinfecting must be performed as soon after the confirmation of a positive test as practical consistent with State DOH and CDC guidance.
29. **Drive-in services.** Drive-in services (e.g., drive-in movies, holiday-related drive-in/drive-thru events, spiritual/religious services, etc.) may be conducted provided all of the following:
- a. All persons attending the service must drive up in a vehicle. Attendees of the service must remain in their vehicles at all times, except to use the restroom while complying with applicable Social Distancing Requirements. Where restroom facilities are provided, the organizers must ensure the availability of handwashing stations or sanitizer, and the routine maintenance and cleaning of the facilities consistent with CDC guidance.
  - b. Vehicle windows, sunroofs and convertible tops must remain closed during the entire service, unless the vehicle is parked more than six (6) feet away from any other vehicle.

- c. Each vehicle may only be occupied by either (i) members of the same household or living unit; or (ii) limited to ten (10) individuals for mixed household/living unit attendees.
  - d. All City, state, and federal laws related to vehicle operation must be followed.
  - e. Organizers and employees of the services must follow current City, State, and CDC guidelines.
  - f. Generally, no food, beverages, equipment, or materials of any kind may be distributed or collected during the service. However, organizers may use unattended drop-boxes, or distribute individually packaged (or pre-ordered) food, beverages, equipment, or materials consistent with CDC guidelines and the Order.
30. **Outdoor organized sports.** This section applies to outdoor sports such as baseball, soccer, football, volleyball, basketball, paddling, surfing, sailing, and similar outdoor sports programs seeking to reserve specific fields/courts/areas for specific times (“**Sports Program(s)**”). Sports Programs may recommence outdoor practice and competitive play under the following requirements and conditions:
- a. Specific requirements/conditions
    - i. No socializing. There shall be no socializing at the field/court/area at issue before or after the scheduled Sports Program activity.
    - ii. Spectators are allowed consistent with the restrictions on gatherings under Order 3 of the Order.
    - iii. Implementing measures consistent with state and federal guidance. Sports Program operators must implement measures to combat the spread of COVID-19 that are consistent with the Hawai‘i Department of Health’s “Guidance and Considerations for Return to Youth Sports” as may be amended and all related guidance on sports (collectively “**DOH Guidance**”). Available at <https://health.hawaii.gov/coronavirusdisease2019/tag/sports/>. Furthermore, to the extent consistent with this section, and Hawai‘i Department of Health guidance, Sports Program operators and participants must also follow applicable guidance from the CDC ([available at https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/businesses-employers.html](https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/businesses-employers.html)). These measures include, but are not limited to the following:
      - 1) Physical distancing protocols and procedures for staff, athletes and non-program participants (including parents/guardians), with special consideration for the type of athletic activities engaged in, entrances and exits, queues, bottlenecks, facility layouts, and safe capacity limits.
      - 2) Regular screening of staff and participants for illness or exposure to COVID-19.
      - 3) Prohibiting socializing before or after the activity.

- 4) Ensuring participants and staff who have COVID-19 do not attend Sport Program activities until they are cleared for release from isolation according to CDC guidelines and cleared to return by a healthcare provider.
  - 5) Ensuring any staff or participant exposed to a person with a confirmed or probable case of COVID-19 does not attend the program until they have completed quarantine following CDC guidelines.
  - 6) Evaluation of all program activities to identify and mitigate “high-risk” activities (shared equipment, incidental close contact, etc.) to reduce or prevent COVID-19 transmission.
  - 7) Limiting close contact. To the greatest extent reasonably practicable, physical distancing of at least six (6) feet between members of different households/living units should be maintained. For example, when not engaged in competitive team play or training that requires close contact, close contact should be reduced or eliminated to the extent possible (e.g., sitting close to teammates on a bench, standing close to teammates or opponents during downtime). Huddles, high fives, and handshakes and similarly unnecessary close contact activities should be eliminated.
- iv. Competitive play/tournaments/competitions/training allowed. Sports Program activities may include: competitive team play (e.g., one baseball team against another, or one soccer team against another, etc.), multiple team and individual sporting tournaments/competitions (soccer tournaments, paddling/sailing races, surf competitions, etc.), and/or practice/training. This is an exception to the general rule on gatherings contained in Order 3 of the Order. Where other competitive play/games are scheduled on the same field, court, area, etc., Sports Program operators must implement measures to prevent mingling between teams/groups, to the extent reasonably practicable.
- b. City permits
- i. Any league, club, or group that desires to reserve a specific location and time for an outdoor athletic activity allowed under this section at any City facility under the control of the City’s Department of Parks and Recreation (“DPR”) must apply for and obtain a permit from DPR. DPR will begin fielding requests for field/court/area use either informally (via availability discussions) or formally (via permit applications) upon execution of the Order.
  - ii. Permit applications. To obtain a DPR permit, Sports Program operators must agree to comply with all requirements of this section and any further requirements imposed by DPR, which shall be consistent with DOH Guidance. Furthermore, Sports Program operators must submit all documentation requested by DPR to obtain a permit. DPR permit information/forms are available at: <http://bit.ly/COVIDpermits>. DPR may waive permit fees to facilitate processing of permits under this section.

Any permits issued under this section shall be null and void in the event City or State emergency orders or proclamations (or other law) related to the COVID-19 emergency prohibit activities allowed under this section.

- iii. Compliance/enforcement. Permit holders are responsible for ensuring compliance with the terms of the DPR permit granted. Failure to comply with permit conditions by the same group/team within a two-week period shall result in the following progressive actions:

- 1) First violation = written warning.
- 2) Second violation = second written warning.
- 3) Third violation = one (1) day suspension of field/court/area use under the permit.
- 4) Fourth violation = one (1) week suspension of field/court/area use under the permit.
- 5) Fifth violation = revocation of field/court/area use under the permit.

There shall be no right to appeal suspension or revocation of permits issued under this section.

- c. Nothing in this section requires a public or private Sports Program or field/court/area to open.

- 31. **Indoor organized sports.** This section applies to indoor sports such as basketball, volleyball, and similar sports to be played indoors at specific indoor courts/venues at specific times (“**Indoor Sports Program(s)**”). Indoor Sports Programs may recommence practice and competitive play under the following requirements and conditions:

- a. Specific requirements/conditions
  - i. Face coverings. Face coverings (as defined in the Order) must be worn by all participants and coaches/instructors/staff at all times. For aquatic sports, face coverings may be removed prior to entering the water.
  - ii. No socializing. There shall be no socializing at the indoor courts/venues at issue before or after the scheduled Indoor Sports Program activity.
  - iii. Spectators are allowed subject to the following: (1) spectators shall not exceed 50% of the pre-pandemic spectator capacity of the indoor court/venue at issue; (2) face coverings must be worn consistent with Order 5 of the Order (e.g., generally required indoors); and (3) any group of spectators shall not be larger than the limit set for indoor gatherings under Order 3 of the Order.
  - iv. Implementing measures consistent with state and federal guidance. Indoor Sports Program operators must implement measures to combat the spread of COVID-19 that are consistent with the Hawai‘i Department of Health’s “Guidance and Considerations for Return to Youth Sports” as may be amended and all related guidance on sports (collectively “**DOH Guidance**”). Available at <https://health.hawaii.gov/coronavirusdisease2019/tag/sports/>.

Furthermore, to the extent consistent with this section, and Hawai‘i Department of Health guidance, Indoor Sports Program operators and participants must also follow applicable guidance from the CDC (available at <https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/businesses-employers.html>). These measures include, but are not limited to the following:

- 1) Physical distancing protocols and procedures for staff, athletes and non-program participants (including parents/guardians), with special consideration for the type of athletic activities engaged in, entrances and exits, queues, bottlenecks, facility layouts, and safe capacity limits.
  - 2) Regular screening of staff and participants for illness or exposure to COVID-19.
  - 3) Prohibiting socializing before or after the activity.
  - 4) Ensuring participants and staff who have COVID-19 do not attend Sport Program activities until they are cleared for release from isolation according to CDC guidelines and cleared to return by a healthcare provider.
  - 5) Ensuring any staff or participant exposed to a person with a confirmed or probable case of COVID-19 does not attend the program until they have completed quarantine following CDC guidelines.
  - 6) Evaluation of all program activities to identify and mitigate “high-risk” activities (shared equipment, incidental close contact, etc.) to reduce or prevent COVID-19 transmission.
  - 7) Limiting close contact. To the greatest extent reasonably practicable, physical distancing of at least six (6) feet between members of different households/living units should be maintained. For example, when not engaged in competitive team play or training that requires close contact, close contact should be reduced or eliminated to the extent possible (e.g., sitting close to teammates on a bench, standing close to teammates or opponents during downtime). Huddles, high fives, and handshakes and similarly unnecessary close contact activities should be eliminated.
- v. Competitive play/tournaments/training allowed. Indoor Sports Program activities may include competitive team play (e.g., one team against another), tournaments, and/or practice/training. This is an exception to the general rule on gatherings contained in Order 3 of the Order. Where other competitive play/games are scheduled on the same court/venue, Indoor Sports Program operators must implement measures to ensure that teams waiting to play maintain six (6) feet of physical distance from the other teams playing at all times (i.e., no mingling between teams/groups).
- b. City permits
- i. Any league, club, or group that desires to reserve a specific location and time for an indoor athletic activity allowed under this section at any City

facility under the control of the City's Department of Parks and Recreation ("DPR") must apply for and obtain a permit from DPR. DPR will begin fielding requests for field/court use either informally (via availability discussions) or formally (via permit applications) upon execution of the Order. All applications are subject to availability/usability of the facility at issue and DPR's COVID-19 guidelines.

ii. Permit applications. To obtain a DPR permit, Indoor Sports Program operators must agree to comply with all requirements of this section and any further requirements imposed by DPR, which shall be consistent with DOH Guidance. Furthermore, Indoor Sports Program operators must submit all documentation requested by DPR to obtain a permit. DPR permit information/forms are available at: <http://bit.ly/COVIDpermits>. DPR may waive permit fees to facilitate processing of permits under this section. Any permits issued under this section shall be null and void in the event City or State emergency orders or proclamations (or other law) related to the COVID-19 emergency prohibit activities allowed under this section.

iii. Compliance/enforcement. Permit holders are responsible for ensuring compliance with the terms of the DPR permit granted. Failure to comply with permit conditions by the same group/team within a two-week period shall result in the following progressive actions:

- 1) First violation = written warning.
- 2) Second violation = second written warning.
- 3) Third violation = one (1) day suspension of court/venue use under the permit.
- 4) Fourth violation = one (1) week suspension of court/venue use under the permit.
- 5) Fifth violation = revocation of court/venue use under the permit.

There shall be no right to appeal suspension or revocation of permits issued under this section.

c. Nothing in this section requires a public or private Indoor Sports Program or court/venue to open.

32. **Outdoor pop up retail events (e.g., markets, craft fairs, etc.)** This section applies to outdoor markets, craft fairs, and similar operations that operate like pop up retail sales events, and are not otherwise covered under the Order. These events are allowed to operate subject to the general conditions on page 1 of Exhibit B of the Order which apply to all Designated Businesses and Operations. However, all entertainment (such as live music, dancing, or other similar entertainment activity that may draw crowds to a certain area of the event) is prohibited at events held pursuant to this category.

33. **Public Competitions.** This section applies to outdoor competitions and events on roadways and other spaces (such as marathons and similar running races, cycling races, triathlons, trail races etc.) that exceed the social gathering limits and are not otherwise

covered under the Order (“**Public Competitions**”). Effective October 13, 2021, Public Competitions may take place under the following conditions:

- a. Mitigation plan required. Operators of Public Competitions must develop, follow, and maintain a written COVID-19 mitigation plan consistent with this Order, the scope of the event, and DOH/CDC guidance. For Public Competitions expecting 50 or more competitors, the mitigation plan must be submitted to the City via <https://www.oneoahu.org/mitigation-plan> at least ten (10) calendar days prior to the Public Competition, and approved prior to its start. Approved mitigation plans will be posted online. In the event there is a cluster of positive cases associated with a Public Competition — and at the direction of the DOH — the name and date of the Public Competition will be posted publicly to advise attendees of potential exposure and the need for testing, and to aid in contact tracing.
- b. Proof of full vaccination for all competitors.
  - All competitors must provide proof of full vaccination (with matching identification) prior to start time/entry. No exceptions apply. Operators are responsible for verifying full vaccination status for all competitors.
  - People are considered fully vaccinated for COVID-19 when more than two weeks has passed since receiving the second dose in a two dose series, or more than two weeks after they have received a single-dose vaccine. A completed government-issued vaccination card (which includes name of person vaccinated, type of vaccine provided and date last dose administered) in original, photocopied, or digital form; or other similar vaccination documentation from a healthcare provider are acceptable proof of vaccination.
  - Event organizers may use digital databases to collect the above acceptable proof of vaccination prior to the event.
- c. Safe Access Oahu. Operators, contractors, vendors, workers must comply with Order 10: Safe Access Oahu.
- d. Capacity and staggered starts. The maximum number of competitors is 500. Operators must implement staggered starts with groups of 25 or fewer.
- e. Permits/approvals. Operators of Public Competitions must obtain all traditionally required permits and approvals from appropriate government agencies. Those government agencies may require operators to comply with additional COVID-19 related mitigation measures consistent with state and federal public health guidance as conditions for issuing permits/approvals. Such conditions include, but are not limited to, specific requirements for staggered start times; and/or requiring off-duty police officers or similar officials to monitor areas to prevent crowding. Violations of such conditions may result in suspension or revocation of any permit issued, and shall constitute a violation of this Order.
- f. No post-event gatherings are allowed, unless held in compliance with another category of Designated Businesses/Operations in the Order.
- g. Face coverings.

- Although not strictly required, attendees and employees are encouraged to wear face coverings in crowded settings, which may exist at Public Competitions (or in certain areas of such events).
34. **Outdoor seated entertainment.** This section applies to outdoor events that have controlled ingress/egress and assigned seating for all attendees (e.g., concerts, shows, commercial sporting events, etc.) (“**Outdoor Seated Entertainment**”). Effective October 13, 2021, Outdoor Seated Entertainment may take place under the following conditions:
- a. Mitigation plan required. Operators of Outdoor Seated Entertainment must develop, follow, and maintain a written COVID-19 mitigation plan consistent with this Order, the scope of the event, and DOH/CDC guidance. For Outdoor Seated Entertainment expecting 50 or more attendees, the mitigation plan must be submitted to the City via <https://www.oneoahu.org/mitigation-plan> at least ten (10) calendar days prior to the event, and approved prior to its start. Approved mitigation plans will be posted online. In the event there is a cluster of positive cases associated with an Outdoor Seated Entertainment event — and at the direction of the DOH — the name and date of the event will be posted publicly to advise attendees of potential exposure and the need for testing, and to aid in contact tracing.
  - b. Proof of full vaccination for all attendees.
    - All attendees must provide proof of full vaccination (with matching identification) prior to the event. No exceptions apply. Operators are responsible for verifying full vaccination status for all attendees.
    - People are considered fully vaccinated for COVID-19 when more than two weeks has passed since receiving the second dose in a two dose series, or more than two weeks after they have received a single-dose vaccine. A completed government-issued vaccination card (which includes name of person vaccinated, type of vaccine provided and date last dose administered) in original, photocopied, or digital form; or other similar vaccination documentation from a healthcare provider are acceptable proof of vaccination.
    - Event organizers may use digital databases to collect the above acceptable proof of vaccination prior to the event.
  - c. Safe Access Oahu. Operators, contractors, vendors, workers must comply with Order 10: Safe Access Oahu.
  - d. Capacity. The maximum number of attendees is capped at 50% of the maximum capacity for the venue or 1000 attendees, whichever is fewer.
  - e. Face coverings. Notwithstanding Order 5 (re Face Coverings) face coverings are required at all times while attending an event held under this Outdoor Seated Entertainment category (except when actively drinking water).
  - f. Seating required and no mingling. Assigned seating is required for all attendees, and all attendees must remain at their assigned seats. Seating shall be arranged so

that six (6) feet of separation is maintained between groups and groups are prohibited from intermingling.

- g. No food or beverages. Food and beverages, except for water, are prohibited from being sold, brought in, and consumed at Outdoor Seated Entertainment events.

35. **Outdoor interactive events.** This section applies to traditional events such as weddings, funerals, birthday parties, concerts, shows, etc. with food, beverages, and mingling that are held exclusively outdoors (“**Outdoor Interactive Events**”). Effective October 20, 2021, Outdoor Interactive Events may take place under the following conditions:

- a. Mitigation plan required. Organizers of Outdoor Interactive Events must develop, follow, and maintain a written COVID-19 mitigation plan consistent with this Order, the scope of the event, and DOH/CDC guidance. The mitigation plan must be submitted to the City via <https://www.oneoahu.org/mitigation-plan> at least ten (10) calendar days prior to the event, and approved prior to its start. Approved mitigation plans will be posted online. In the event there is a cluster of positive cases associated with an Outdoor Interactive Event — and at the direction of the DOH — the name and date of the event will be posted publicly to advise attendees of potential exposure and the need for testing, and to aid in contact tracing.
- b. Proof of full vaccination for all attendees.
  - All attendees must provide proof of full vaccination (with matching identification) prior to the event. No exceptions apply. Operators are responsible for verifying full vaccination status for all contractors, vendors, workers, and attendees.
  - People are considered fully vaccinated for COVID-19 when more than two weeks has passed since receiving the second dose in a two dose series, or more than two weeks after they have received a single-dose vaccine. A completed government-issued vaccination card (which includes name of person vaccinated, type of vaccine provided and date last dose administered) in original, photocopied, or digital form; or other similar vaccination documentation from a healthcare provider are acceptable proof of vaccination.
  - Event organizers may use digital databases to collect the above acceptable proof of vaccination prior to the event.
- c. Safe Access Oahu. Operators, contractors, vendors, workers must comply with Order 10: Safe Access Oahu.
- d. Capacity. The maximum number of contractors, vendors, workers, and attendees (together) is capped at 50% of the maximum capacity for the venue or 150 people, whichever is fewer.
- e. Face coverings. Notwithstanding Order 5 (re Face Coverings) face coverings are required at all times while attending an event held under this Outdoor Interactive Event category (except when actively eating or drinking).
- f. Mingling between groups. Mingling between groups is allowed at Outdoor Interactive Events. This is an exception to the general rules contained in Exhibit A (page 1) and the Social Distancing Requirements.

36. **Indoor seated entertainment.** This section applies to indoor concerts, shows, commercial sporting events, and similar events with assigned seating (“**Indoor Seated Entertainment**”). Effective October 20, 2021, Indoor Seated Entertainment may take place under the following conditions:
- a. Mitigation plan required. Operators of Indoor Seated Entertainment must develop, follow, and maintain a written COVID-19 mitigation plan consistent with this Order, the scope of the event, and DOH/CDC guidance. For Indoor Seated Entertainment expecting 50 or more attendees, the mitigation plan must be submitted to the City via <https://www.oneoahu.org/mitigation-plan> at least ten (10) calendar days prior to the event, and approved prior to its start. Approved mitigation plans will be posted online. In the event there is a cluster of positive cases associated with an Indoor Seated Entertainment event — and at the direction of the DOH — the name and date of the event will be posted publicly to advise attendees of potential exposure and the need for testing, and to aid in contact tracing.
  - b. Proof of full vaccination for all attendees.
    - All attendees must provide proof of full vaccination (with matching identification) prior to the event. Operators are responsible for verifying full vaccination status for all attendees.
    - People are considered fully vaccinated for COVID-19 when more than two weeks has passed since receiving the second dose in a two dose series, or more than two weeks after they have received a single-dose vaccine. A completed government-issued vaccination card (which includes name of person vaccinated, type of vaccine provided and date last dose administered) in original, photocopied, or digital form; or other similar vaccination documentation from a healthcare provider are acceptable proof of vaccination.
    - Event organizers may use digital databases to collect the above acceptable proof of vaccination prior to the event.
  - c. Safe Access Oahu. Operators, contractors, vendors, workers must comply with Order 10: Safe Access Oahu.
  - d. Capacity. The maximum number of attendees is capped at 50% of the maximum capacity for the venue or 500 attendees, whichever is fewer.
  - e. Face coverings. Face coverings are required at all times while attending an event held under this Indoor Seated Entertainment category (except when actively drinking water).
  - f. Seating required and no mingling. Assigned seating is required for all attendees, and all attendees must remain at their assigned seats. Seating shall be arranged so that six (6) feet of separation is maintained between groups and groups are prohibited from intermingling.
  - g. No food or beverages. Food and beverages, except for water, are prohibited from being sold, brought in, and consumed at Indoor Seated Entertainment events.
